Data processing	
Recipients and categories of recipients of personal data (to whom personal data is disclosed)	<p>Data can only be disclosed in accordance with the obligations and restrictions set out in currently valid legislation or based on the consent of the data subject. Data is not disclosed for direct marketing purposes. The data are official documents as referred to in the Act on the Openness of Government Activities (621/1999), access to which can be granted in accordance with the conditions laid down in sections 13 and 16 of said Act, unless they are secret pursuant to said Act or other legislation.</p> <p>As a competent authority, Traficom must notify the European Commission of all registrations. The Commission then adds them to the public EU register of recognised data altruism organisations.</p> <p>The information referred to in points a, b, f, g and h above must be published in the public national register of recognised data altruism organisations.</p>
Processing of personal data on behalf of the controller	No data processing operations have been outsourced to a data processor.
Transfer of personal data to third countries outside the EU/EEA	Traficom will not transfer the personal data to third countries outside the EU/EEA.
Automated decision-making and profiling	Data is not used for profiling and the processing of personal data is not subject to automated decision-making.

Rights related to the processing of personal data	
<p>About exercising rights</p> <p>You can exercise your rights by submitting a request to Traficom by email or post. The controller's contact details are listed in this privacy statement under the section 'Controller's contact details'.</p> <p>The right to lodge a complaint with the supervisory authority</p> <p>If you believe that your personal data is being processed in violation of legislation, you may lodge a complaint with the Office of the Data Protection Ombudsman.</p> <p style="text-align: center;">Office of the Data Protection Ombudsman PO Box 800, FI-00531 Helsinki, Finland tietosuoja(at)om.fi tel. +358 29 566 6700</p>	
Right of access	The data subject has the right to obtain from the controller confirmation as to whether or not personal data concerning him or her is being processed. If processing takes place, the data subject has the right to access the personal data.

Right to rectification	The data subject has the right to obtain from the controller without undue delay the rectification of inaccurate or incorrect personal data.
Right to restriction of processing	The data subject has the right to obtain from the controller restriction of processing if: <ul style="list-style-type: none">- the data subject contests the accuracy of the personal data- the processing is unlawful, but the data subject opposes the erasure of the personal data and requests the restriction of its use instead- the controller no longer needs the personal data for the purposes of the processing, but it is required by the data subject for the establishment, exercise or defence of legal claims- the data subject has objected to the processing of the personal data pending the verification of whether the legitimate grounds of the controller override those of the data subject.
